

QUESTIONS

Dreams & Visions

“Just Keep Asking” - 8/8/2021

OVERVIEW

All throughout Scripture, God’s Spirit spoke to people through dreams, visions, and promptings. And just like then, every truly authentic follower of Jesus should be hearing the Holy Spirit inside of them giving them next steps to take. One of the roles of the Holy Spirit is to speak, prompt, and direct your path. Are you asking Him to birth a dream or vision in you?

Scriptures: Acts 2:14-18, 10:1-6, 16:9-10; Matthew 1:20, John 10:27, 16:13; Luke 18:1-8; Hebrews 3:7-8

APPLICATION

- Jeremy shared several ways in which he is seeing God move. How are you seeing God move in your own life or in others around you?
- Jeremy said, “Dreams and visions often move people toward something uncomfortable or doing something in a new way.” Is there something uncomfortable that might be stirring in you?
- How would you answer the question, “Is everyone supposed to have a dream or a vision?”
- Every truly authentic follower of Jesus should be hearing the Holy Spirit inside of them giving them next steps to take. Are you hearing from God? What does that look like?
- Dreams and visions are normally just a next step. Is the Holy Spirit prompting you with a next step that He is asking you take?
- NEXT STEP: Jesus’ invitation to His followers is to ask and pray! He wants to give us next steps. Ask God to birth a dream or vision in you. Ask Him to give you enough faith to say yes and move into what He is calling you to.
